Suite 310-69

St. Thomas, US Virgin Islands, VI00802

VIA CLUBRUNNER E-MAIL

Dear Assistant Governor, Club President and Secretary,

The Rotary E-Club of the Caribbean, 7020 invites you to participate in our district-wide Interact photo competition P.I.C.S. – *Promoting Interact Creative Skills*.

Our club is offering Interactors in your sponsored Interact Clubs an opportunity to submit photographs they have taken to win cash prizes along with credit toward a Rotary or Interact project of their choice, and to have those images published online, on our website, the District 7020 website and social media. In addition, we will be offering all participants a coaching webinar with professional photographers.

The theme for this first edition of P.I.C.S. will be KINDNESS; your sponsored Interactors are encouraged to reflect upon the theme and submit photographs that depict this important characteristic. Our aim is to promote Interact creative skills and help Interactors spread kindness throughout District 7020 and the world.

Submissions for the contest must pass through the sponsoring Rotary Club. **Please partner with us to make this project a success and encourage your Interactors to submit their photographs.**

Do not hesitate to contact us for additional information or questions you may have. Attached you will find the necessary documents for submission. Kindly return them to us, along with your chosen entries, by January 31, 2020.

Yours in Rotary Service,

Members of the Rotary E-Club of the Caribbean, 7020
